DATE: May 6, 2023

ACEQUIA PARCIANTE/MEMBER: Antonia E. Fahrney

Your ASSESSMENT for the year 2023 on 2.00 Acres will be:

Acequia Rights Fee	<u>26.00</u>	pd. 5-27-'23
Labor (Ditch cleaning)	<u>0 credit</u>	
TVAA FEES	<u>4.00</u>	
Delinquent Fees	<u>0</u>	
TOTAL	\$ <u>30.00</u>	

**** (Make Check payable to: Acequia Del Medio De El Prado)**

Please pay the Secretary-Treasurer on or before **THIRTY DAYS** in order to enable the Commission to pay its bills and to pay the Mayordomo. Besides helping your Acequia, another good reason for paying is that it will help you substantiate your CLAIM to Water Rights in the current Water Rights Adjudication suit. If your name does not appear in the Acequia's records as an active ditch member, then the State Engineer will almost certainly question the validity of your Water Rights. Keep in mind that the Water Rights account for much of the value of your land.

If you are not in a position to actually use the water, consider allowing the Acequia Commission to "BANK" your water Rights. Briefly speaking, "BANKING" means that you place your water rights in Trust with the Acequia Commissioners. You will still own your Water Rights, but you will be allowing the Commissioners to Manage and use your water in some other way. For more information on "BANKING" contact any of Your Acequia Commissioners or see 2015 Revised BYLAWS.

According to the State Laws on Ditches or Acequias (73-2-21 NMSA 1978), the Commissioners have the right to make all necessary assessments to provide funds for the payment of the salary of the Mayordomo and other legitimate expenses incident to the proper conduct and maintenance of the Acequia under their charge.

Failure by any member of the Acequia to pay the Assessment (Delinquent--73-2-25 NMSA 1978), **SHALL NOT** be allowed to take or use any water from the Acequia. The Mayordomo **WILL NOT** deliver water to persons delinquent for more than thirty (30) days. At this time of a shortage of water and drought, it is very important that you observe the rules and procedures of using the water by contacting the **MAYORDOMO: ANTHONY TRUJILLO AT 770-5712** to set-up a time & schedule for irrigating.

If you have any question regarding the bill, or would like to make arrangements to pay, please contact Secretary-Treasurer Lee Gonzales at P.O. BOX 1842 EL PRADO NM 87529 OR AT (575) 758-2116.

GRACIAS,

Lee Gonzales, Commissioner
Secretary-Treasurer
